**New Scenario Entertainment to Present**

## **PIECES (OF ASS)**

**Conceived and Directed by Brian Howie**

**Performances Begin Thursday, July 10<sup>th</sup>**

**At Theater 80, 80 St. Mark's Place**

New Scenario Entertainment will present ***PIECES (OF ASS)***, a series of original monologues from a rotating cast of beautiful women, ranging from hilarious to heartbreaking, from provocative to perplexing. Performances will begin on Thursday, July 10<sup>th</sup> at Theater 80 (80 St. Mark's Place, between 1<sup>st</sup> and 2<sup>nd</sup> Avenues).

***PIECES (OF ASS)*** features original monologues which all deal with themes uniquely common to the physically blessed female, from the perks and the privileges to the problems and the pressures. These pieces aim to go beneath the beautiful façade and examine the concept of "hot chick angst." More than just a stage show, ***PIECES...*** is a complete evening, with live female DJ's, short films, and a pre- and post-show cocktail lounge – all of these elements are combined to create a party atmosphere at this Greenwich Village landmark venue, which New York Magazine calls one of its "Favorite Off-Broadway Theatres."

"This show is empowering to women, and enlightening to men in two areas that generally cause them great consternation – beautiful women and going to the theatre," says ***PIECES...*** director Brian Howie. Howie conceived the show based on his own experiences and frustrations on both accounts. "Why is it that every group has had their say on the stage other than those who may actually have the most interesting stories to tell – and who look great telling them? We have heard what society has to say about beautiful women, it's time to hear what beautiful women have to say about society, and their place in it. 'Hot chick angst' is a real phenomenon, as this show will demonstrate."

New Scenario Entertainment is a New York-based production company which pursues opportunities in all facets of the entertainment industry including film, television, stage, and national events. The company's feature film, "Mob Mentality", is scheduled for completion later this year.

***PIECES (OF ASS)*** will begin performances on Thursday, July 10<sup>th</sup>, and will continue through Sunday, August 3<sup>rd</sup>. Performances will be Tuesdays through Thursdays at 8pm, Fridays and Saturdays at 7pm and 10pm and Sundays at 7pm. Tickets will be \$35 for weekday shows, and \$40 on weekends.
